

SAFE TRANSPORT POLICY

1. PURPOSE

This policy outlines our procedures for safe transport after club games, special events, functions and other club related activities where alcohol may be consumed. It represents our club's commitment to its members, volunteers and visitors, acknowledging the role that sporting clubs and associations play in building strong and healthy communities.

This policy will help to ensure our club;

- Meets its duty of care in relation to the health and safety of our members, volunteers and visitors who attend any club games, special events, functions and other activities.
- Upholds the reputation of our club, our sponsors and partners.
- Understands the risks associated with alcohol use and driving, and our role in minimising risk.
- Educates our members about standard drinks.

2. RATIONALE

Ensuring our members, visitors and guests getting to and from club games, activities and events safely is an important part of being a responsible, healthy club.

While Whitford Amateur Football Club wishes to avoid club members becoming intoxicated and notes the recommendation by the National Health and Medical Research Council to consume no more than four drinks in one sitting, as part of our club's duty of care we encourage our members to plan safe transport home. This will reduce the risk of drink-driving, injury or worse.

Alcohol and drugs affect pedestrians and drivers' abilities to stay safe. They affect decision-making reaction times, speed and distance judgements, concentration, balance, perception and alertness. It can also increase risk-taking behaviour by giving a pedestrian or driver a false sense of confidence.

Sporting clubs such as ours help prevent drink driving related tragedies in the community by improving safety around transport and minimising the risk of developing a drinking culture.

3. GENERAL PRINCIPLES

Our club recognises that;

- Drink driving is one of the main causes of road deaths in Australia.
- Driving when over the legal blood alcohol limit is illegal and hazardous to individuals and the wider community.
- Mixing drugs and alcohol (including prescription medication) with other drugs or alcohol can seriously affect the ability to drive safely.

4. TRANSPORT FOR CLUB ACTIVITIES

This safe transport policy applies for all activities undertaken by the club that involves the serving and/or consumption of alcohol.

Our club will;

- Promote strategies that encourage members to plan how they will get home safely before they go out e.g: pre-arranged transport.
- Print safe transport messages on relevant club activity and event invitations or flyers.
- Ensure the MC for events or club committee members advise attendees that the club is a Good Sports accredited club and communicates the safe transport options and regularly remind attendees to behave responsibly around alcohol.
- Ensure telephone calls can be made free of charge to a call sober person to provide transport from the club or venue. This includes providing and making available phone chargers.

Where available, our club will also consider;

- Use of a club or community bus (such as council, school or tourist buses) and;
 - The bus or transport provided will be an alcohol-free zone (i.e. no alcohol will be permitted on the bus)
 - The bus will not be used to transport members between licensed venues.
 - People who have consumed alcohol can get home safely from the bus drop off point.
- Use a range of taxi or ride share services or strategies such as:
 - Free telephone calls to arrange a taxi to provide transport from the club or venue.
 - The club committee will pre-order taxis to arrive at a club or venue at the conclusion of a club event or function.
 - Encourage club members to utilise a ride share service.

5. CLUBS WITH A LIQUOR LICENCE FOR ANY CLUB EVENTS OR FUNCTIONS.

Our club will promote low alcohol and non-alcoholic drinks as options and available at reduced prices.

Bar staff/servers of alcohol will encourage members, volunteers and visitors to;

- Consume food while drinking alcohol at the club.
- Consume alcohol in moderation bearing in mind our commitment to the Good Sports program, its philosophies and policies.
- Make alternate safe transport arrangements if they are considered to be intoxicated or at risk of exceeding the legal limit (e.g. free call to taxi/friend/family)

CONDUCT EXPECTATIONS

Whilst engaging in club activities, members, volunteers and visitors will:

- Accept responsibility for their behaviour, use good judgement and take a responsible approach towards alcohol consumption.
- Encourage and assist others to use good judgement regarding alcohol consumption.
- Make alternative transport arrangements to get to and from the activity safely.
- Share a taxi or ride share (where available) with friends.
